Abolition of the House Rent Allowance.**READ—**

Government Order No. E. 707-8—Edn. 14-23-22, dated the 20th August 1924, appointing the Head Mistress of the Vani Vilas Institute as General Superintendent of the Hostel attached to the institution with a house rent allowance of Rs. 50 per mensem with effect from 1st July 1924.

2. Government Order No. Fl. 2320-70—S. & A. 123-31-1, dated the 2nd October 1931, directing *inter alia* that the house rent allowance of Rs. 50 sanctioned in the Government Order read above be reduced to Rs. 30 per mensem.

3. Correspondence ending with letter No. A1372-240 of 31-32, dated the 5th November 1931, from the Director of Public Instruction, recommending that the house rent allowance referred to in the Government Orders read above may be abolished; as the Head Mistress is not living near the hostel as was required by the first of the orders and as no other Superintendent or Warden draws an allowance for such supervision.

ORDER No. E. 2462-63—EDN. 137-31-3, DATED 26TH DECEMBER 1931.

Government consider that there is no justification even for the grant of the reduced house rent allowance of Rs. 30 per mensem to the Head Mistress of the Vani Vilas Institute as the hostel is located very near the school (Institute) and the Head Mistress should consider it a part of her duty to supervise the hostel without extra allowance. They accordingly direct that the grant of the allowance be abolished from 1st January 1932.

Reduction of rates of remuneration to Examiners.**READ—**

Letter No. E.2. 2311-51 of 31-32, dated 7th December 1931, from the Director of Public Instruction in Mysore, in the matter of the reduction of rates of fees paid to examiners.

ORDER No. E. 2491-92—EDN. 396-30-78, DATED 30TH DECEMBER 1931.

The Retrenchment Committee suggested a cut of Rs. 10,000 in the provision annually made for the payment of fees to examiners under "26 Education 13 (III) Miscellaneous" by reducing the rates of fees. The Director of Public Instruction who was consulted in the matter states that the subject was considered by the several Examination Boards which resolved (1) that the rates of remuneration to examiners should continue to be as they are at present, since they are not capable of permanent reduction, (2) that with a view to reducing expenditure immediately, a reduction of 20 per cent be made on each of the bills for remuneration due to examiners for the examinations of 1932, calculated on the basis of existing rates, the question being again considered in 1932, (3) that no reduction be made in the rates of remuneration paid to the members of the Tabulation and Moderation Board as these rates are themselves hardly commensurate with the work involved.

On the basis of the reduction agreed to by the Examination Boards, the savings that will accrue to Government are estimated at Rs 10,000 which is also the amount of reduction suggested by the Retrenchment Committee. The Director recommends the acceptance of the above proposals. Government are pleased to sanction the recommendation of the Director.
